Verona Wide Chest

By Currey and Company

Description

The Verona Chest, designed by Aimee Kurzner, is warmly handsome covered in a lacquered linen with metal detailing in a champagne finish. The beautifully detailed drawer pulls, which are wrapped in matching material in the middle and left bare on each end, grace each drawer with their metallic sheen. This is a sophisticated touch, as are the squared edges of the hardware that match the straight-edges on the stretchers. The door with its single pull, which hides two shelves and a drawer, is an elegant design move.
