Nadene Accent Table

By Currey & Company

Description

The Nadene Accent Table is a decorative side table made of alternating colors of bone. The jagged pattern is created when blue and ivory bone are hand-applied to the surface, which makes the blue occasional table an artisanal accent that packs a textural punch. The lovely square accent table sits atop a brass plinth base that adds to its sophisticated profile. This complex composition was designed by Aimee Kurzner.

Shown in brushed brass / blue / white
