Tanay Side Table

By Currey & Company

Description

The Tanay Side Table is not shy when it comes to infusing a space with an incredible mix of textures. Not only does the cast aluminum top have tell-tale pitting on the surfaces of its gleaming gold interior and exterior edge, the bottom of its tabletop is stamped in a snakeskin pattern in a graphite finish. This masterpiece of artistry sits atop a black iron base that is minimal to allow the artisanal top to be the scene-stealer.
