Flying Drinks Table By Currey & Company

Description

Gold iron and cappuccino-colored stone come together to create the Flying Drinks Table. The X-shaped stretchers and top support are as toothy as the legs to bring this gold drinks table an industrial vibe, but it is also a shoe-in for a contemporary aesthetic. Design details of note are the way the feet swell and the clever way the legs culminate to embrace the brown marble top.

Shown in gold / natural

Specifications
