Mirasole Wall Sconce

By Currey & Company

Description

When he designed the Mirasole Wall Sconce, Tom Caldwell was feeling nostalgic, remembering the decor of ice cream parlors that were staples at one time in America. The milky glass globes are supported on shapely stems in a contemporary gold leaf finish and ornamented with fluted leaf patterns in a darker gold finish to add interest to the design. Whimsical details are the single leaves fluttering from the stems.

Shown in gold leaf / white

Specifications
