## Bismarkia Wall Sconce

By Currey and Company

### Description

The Bismarkia White Wall Sconce was inspired by the noble Bismarkia palm, whose fronds are remarkably large. Marjorie Skouras, who designed the white sconce, has stayed true to her love of nature for this creation. Her passion for the Yucatan, the surroundings in which she lives and through which she translates the flora and fauna into dynamic products in her studio, shines in this steel fixture covered in a crisp gesso white finish. The spiky leaf sconce is lit by integrated LED technology.
