## Bonardi Wall Sconce

By Currey and Company

### Description

Made of stainless steel, the Bonardi Wall Sconce was designed by Ian Thornton. The matching shades that mirror each other are elongated cup shapes that are perfectly scaled for the cylindrical bulbs. The finish on the metal brings warmth to this gold sconce, which is included in our Bagno Collection of damp-rated lighting that is designed specifically for bathrooms. This sconce can be mounted sideways to fit over a mirror.
