Heirloom Table Lamp

By Currey and Company

Description

The Heirloom Table Lamp has a graceful profile thanks to the monstera leaves that arc along its tall, thin stem. Achieving the level of detail in brass takes great skill, as the sheet metal is cut, pressed on a mold, and hammered. The console lamp has a stacked black granite base and is topped with an off-white linen shade that is fastened with a fanciful finial -- a petite version of the large leaves on the lamp's body.
