## Nadene Table Lamp

By Currey and Company

### Description

The Nadene Table Lamp is a decorative table lamp made of alternating colors of bone. The jagged pattern is created when blue and ivory bone are hand-applied to the surface, which makes the blue table lamp an artisanal accent that packs a textural punch. The generous size of its rectangular shade made of light beige linen adds to the sophistication of the square lamp's profile. This complex composition was designed by Aimee Kurzner. On/off turn knob on socket.
