Silvestri Table Lamp

By Currey & Company

Description

Pam Bailey and Christina Pomroy designed the Silvestri Black Table Lamp with its flaring shape that straddles the mid-century modern and industrial design eras. Made of cast aluminum in a matte black finish, the surface has a subtle pitting that was achieved through a sandcast method. The natural linen shade brings the black table lamp even more texture and heightens the warmth of the overall composition. 3-way turn knob on socket.
