Brigadier Floor Lamp

By Currey & Company

Description

The Brigadier Black Floor Lamp is a study in texture. Made of cast aluminum, the body of the lamp has a pitted surface achieved through a hand-hammering technique. Adding even greater interest is a layering of antique gold, black, and whitewash finishes on the stippled surface. The personable lamp is a generous size and contrasting elements are the off-white linen drum shade, and the black hardware and finial. Pam Bailey and Christina Pomroy designed the Brigadier. 3-way turn knob on socket.

Specifications
