Centurion Chandelier

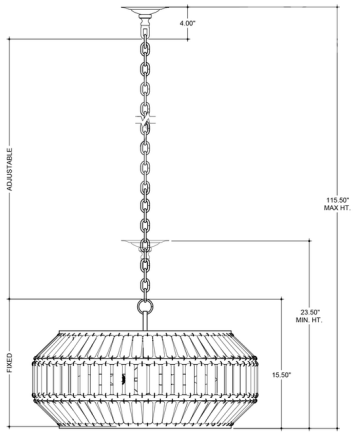

By Currey & Company

Description

The Centurion Chandelier has elongated recycled glass panes that are unobtrusively fitted into wrought iron rings in a satin black finish. The thinness of the wire that fastens them makes this design feel streamlined and the wavy surfaces of the pieces of glass make it luminous. This black chandelier is stylistically suited to modern farmhouse, traditional, and transitional interiors. It hangs from an aircraft cable, which makes the design seem to float.
