Bon Vivant Convertible Chandelier

By Currey & Company

Description

Ethereal in its overall vibe, the Bon Vivant Convertible Ceiling Light was designed by Tom Caldwell. The discs that effervesce with illumination are made of Capiz shells ringed in a decorative metal edge that matches the gold finish on the rest of the fixture. The thinness of the wires that fasten the discs to the frame and to each other is a sophisticated design detail. This gold semi-flush is convertible to a chandelier when the lower canopy is removed.
