Courante Chandelier

By Currey & Company

Description

Made of metal in a champagne finish, the squared arms of the Courante Chandelier balance optic crystal bobeches and frosted glass candle sleeves that enclose LED bulbs. Ian Thornton designed this chic chandelier in an oblong, so it would illuminate rectangular tables or kitchen islands. The height of the arms, the pared-down profile, and the gleaming combination of materials and finishes make this a traditional style turned thoroughly modern.

Shown in champagne gold / frosted

Specifications
