Mirasole Chandelier

By Currey & Company

Description

When he designed the Mirasole Chandelier, Tom Caldwell was feeling nostalgic, remembering the decor of ice cream parlors that were staples at one time in America. The milky glass globes are supported on shapely stems in a contemporary gold leaf finish and ornamented with fluted leaf patterns in a darker gold finish to add interest. The globes on the fixture glow brightly when the lights are switched on; the illumination bringing the rich brass finish a high sheen.
