Mereworth Chandelier

By Currey and Company

Description

The Mereworth Chandelier has an octagonal wrought iron frame around which natural abaca rope has been painstakingly wrapped to create its shade. The rope chandelier emits a warm glow thanks to the color of the abaca. The material also lends the chandelier a nautical feel that makes it perfect for seaside retreats and oceanfront homes. One of the interesting design attributes about this fixture is how thick the structure is when seen from below.

Shown in beige / natural

Specifications
