## Maidenhair Convertible Chandelier By Currey and Company

## Description

Inspired by the Ginkgo leaf, Clarence Mallari designed the Maidenhair Convertible Chandelier that captivates with its flowing pattern of fanshaped leaves. This is a lovely design when viewed from the bottom, as it becomes clear how much depth the beige semi-flush ceiling light or convertible chandelier has. The antique pearl finish on the shade glows when the lights are switched on and the telescoping leaves create patterns on surrounding surfaces. This nature-inspired chandelier is perfect for a biophilic project.
