## Senjyo Tilted Orb Chandelier By Currey & Company

### Description

Hiroshi Koshitaka envisioned the Senjyo Tilted Orb Chandelier as one of a number of fixtures he sees as fulfilling Saisei, a concept that encompasses the acts involved in regeneration and reproduction as we restore, revive, and experience regrowth and rebirth. Rattan is woven around a wrought iron frame in stripes that graduate from a khaki finish to Bluebonnet and Cornflower blue finishes. With this tan and blue pendant, Koshitaka stays true to exploring his fascination with the Color Field tradition of the 1940s, which has been a constant in his repertoire for decades.
