## Magnum Opus Grande Chandelier

By Currey and Company

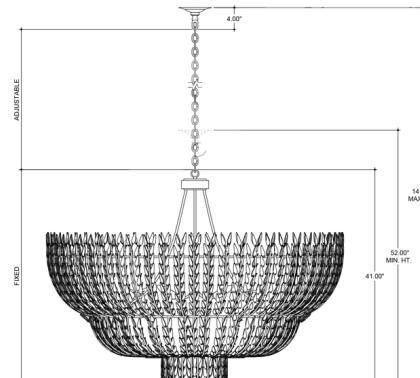

### Description

Tom Caldwell undertook the challenge of creating a clean-lined version of a vintage design when he meticulously conceived the Magnum Opus Grande Chandelier. The rows of glass leaves attached to the three-tier arcing metal stems effervesce with light, creating a stunning sculptural fixture. The white glass also beautifully contrasts the metal in a brass finish, the cool/warm contrast bringing the gold chandelier a heightened level of texture. The beautiful white glass leaves also surround the seven bulbs on this fixture to add extra texture and nuance.
