Maru Pendant

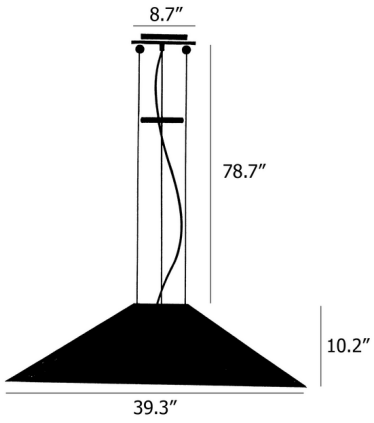

By Ingo Maurer

Description

The Maru Pendant features a Japanese paper shade for a delicate and elegant expression that will complement a variety of interior decor styles. The paper's crinkled texture is an intended design feature to highlight the artisan nature of the material. A red iron ring on the cable allows the hanging height of the pendant to be easily adjusted.Note: The crinkled texture of the paper shade is an intentional design attribute inspired by the Japanese concept of wabi-sabi, the acceptance of transcience and imperfection. The wrinkled paper highlights the materiality of the handmade design and introduces an interplay of light, shadow, and texture. The shade will gradually begin to smooth over time.
