Moodmoon Round Plug-In Wall Light

By Ingo Maurer

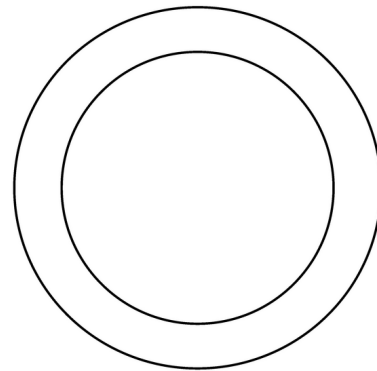

Description

The Moodmoon Wall Light combines innovation and tradition with its unique interplay of LED technology and artisan Japanese paper. The paper diffuser is backlit by partly static and partly moving RGB color LEDs to create a soothing ambient mood. Users can choose between 14 premade moods wirelessly via the Ingo Maurer Moodmoon mobile app to change the look and feel of the space. Moodmoon was awarded the NYC x DESIGN Award 2021 in the sconce category.
