Pic-A-Stic Pendant

By Ingo Maurer

Description

The Pic-A-Stic Pendant is a playful pendant inspired by the classic game pick up sticks, also known as Mikado. Designer Andreas Walther hoped to capture the moment of the game where the sticks are dropped and begin to fall apart. The pendant is composed of 50 lacquered wooden rods fixed in air by a rubber ring, which can be arranged in a variety of configurations to suit the individual user's liking.

Shown in white / black / white
