Wo-Tum-Bu 2 Table Lamp

By Ingo Maurer

Description

The Wo-Tum-Bu 2 Table Lamp possesses a unique aesthetic that is as much a sculptural object as a lighting fixture. The lampshade is crafted from artisan Japanese paper with a ruffled texture and elegantly folded into a cigar-like shape around the light source to produce a soft ambient glow. The shade is set atop a hand-cast concrete base that lends a unique character to each lamp. Dimmer switch located on cord.

Specifications
