Yoruba Rose Table Lamp

By Ingo Maurer

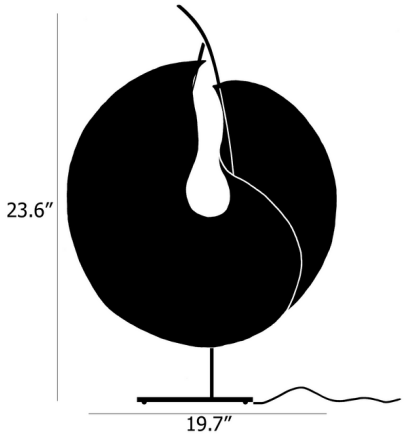

CE

Description

The Yoruba Rose Table Lamp possesses a unique aesthetic that is as much a sculptural object as a lighting fixture. The lampshade is crafted from artisan Japanese paper with a ruffled texture and elegantly folded into a near circular flower-like shape. The lamp is illuminated from within by an integrated LED light source to produce a harmonious glow perfect for bedrooms or living rooms. Dimmer switch located on cord.

Shown in stainless steel / white
