Mozzkito Table Lamp

By Ingo Maurer

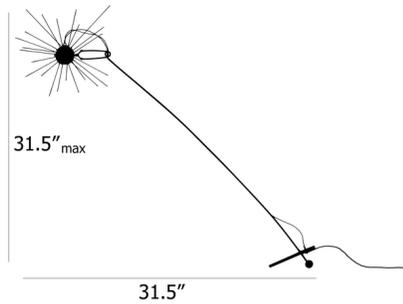

Description

The Mozzkito Table Lamp offers a bold twist on classic adjustable desk lamps with its sputnik-inspired lamp head. The lamp head can be tilted to aim its light, and the overall height of the lamp can be raised or lowered by adjusting the angle of the baseplate. Mozzkito's sleek stem creates the illusion that the lamp is floating in mid-air. Dimmer switch located on cord.
