La Festa Delle Farfalle Pendant By Ingo Maurer

Description

The La Festa Delle Farfalle Pendant features a branching structure adorned by 34 paper butterflies and a single paper dragonfly for a stunning and whimsical look. Three light bulbs rest at the bottom of the pendant like pears on a porcelain plate. The bulbs are purely decorative, instead being lit from below by an integrated LED which also casts dramatic shadows of the paper butterflies. Las Festa Delle Farfalle will make an eye-catching statement in any space.
