DESCRIPTION

The Coco XS Pendant is a tribute to Coco Chanel, who became the first woman to launch a fine jewelry collection in the 1930s. Her designs were marked by the elegant use of pearls, not only in jewelry but also as accents sewn into evening gowns. The Coco XS Pendant evokes the appearance of jewelry with its alabaster glass globe shade and metal accents for a grand, awe-inspiring look. Coco houses an integrated Dim to Warm LED (2700K to 2200K) to create the perfect ambiance in any space. Note: Cable length is not adjustable. Overall height to order, available from 27 in. (small) / 36 in. (large) minimum to 48 in maximum.
