## Otero XS-01 Pendant

By Larose Guyon

### Description

The Otero XS-01 Pendant dances in luxury with its sculptural elegance that has been hand-crafted with delicate jewelry chains dangling downwards from the light source. Inspired by the fashion of Paris in the late 1800s, particularly famed dancer and actress Caroline Otero, the Otero's delight captures poetic motion while providing decadent decorative lighting. Place this romantic jewel over the dining table, in an entryway foyer, or anyplace where a magical atmosphere is wanted. Warm Dim (2700K-2200K) color temperature.
