Aurelia S45 Pendant

By Leucos

Description

The Aurelia S45 Pendant features a handblown glass diffuser surrounding a metal structure that houses both direct and indirect LED light sources. Independently dimmable, the two light sources offer the possibility of single or simultaneous switching, creating direct soft light and surprising and unexpected indirect reflections. Includes canopy in matching finish and driver which fits inside junction box. 2700K color temperature includes an 11.6 watt downlight (1471 lumens) and 14.4 watt uplight (2360 lumens). 3000K color temperature includes an 11.6 watt downlight (1531 lumens) and 14.4 watt uplight (2450 lumens).
