Relevo Rug

By Muuto

Description

The Relevo Rug is a soft rug with a ridged, almost sculptural, texture due to trimming the tufted wool at different heights. The texture creates shadows on the rug, resulting in a seemingly two tone pattern. A single rounded corner gives Relevo a dynamic character that will create a subtle but striking expression in any room. Crafted from 100% New Zealand Wool with a 100% cotton backing.
