La Lollo Linear Pendant By Slamp

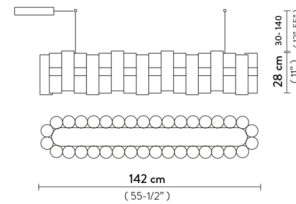

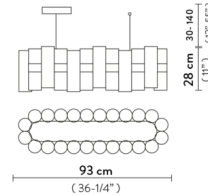

Description

The La Lollo Linear Pendant pays homage to the elegant designs and glamorous stars of the mid-century era with a modern twist. La Lollo features an array of techno-polymer cylinders arranged at offset heights along a central LED strip. It produces a dazzling display of light perfectly suited to public spaces and large installations. TRIAC, 0-10V, PWM dimmable (other dimming systems may be available on request).

Shown in white / gold fume
