Le Grand Ceremony Ceiling Light

By Slamp

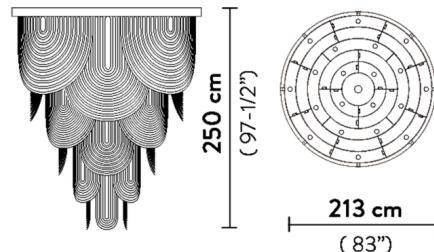

Description

The Le Grand Ceremony Ceiling Light is a jumbo-sized version of Slamp's popular Ceremony Suspension suitable for making a grand statement in any interior. Ceremony features a cascade of Cristalflex techno-polymer arches reminiscent of delicate necklaces or draped fabric to create an opulent shimmer as light passes through. Due to its large size, this fixture is perfectly suited for public spaces such as lobbies, entryways, and restaurants. Note: Due to the weight of the fixture, additional ceiling support is required. The canopy's metal finish can be suited to any project. Specify metal finish at time of order.
