Freja Bar / Counter Stool

By Stellar Works

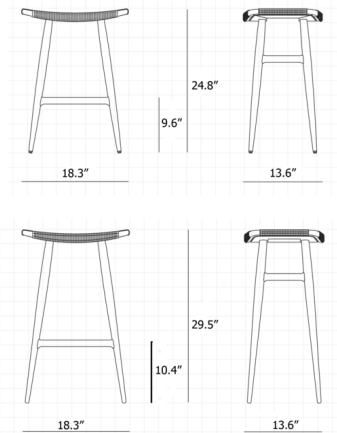

Description

The Freja Bar / Counter Stool blends Scandinavian and Japanese influences to create a simple but elegant piece with soothing visual appeal. As the stool is viewed from different angles, the legs and crossbars overlap to create a trellis-like appearance and add a dynamic element to the unornamented design. The seat is available in woven paper cord for a more rustic, textured look or leather for a sleeker, modern expression. Note: The bar height stool is only available with paper cord seat.

Shown in natural walnut / black paper cord
