Journey Dining Chair

By Stellar Works

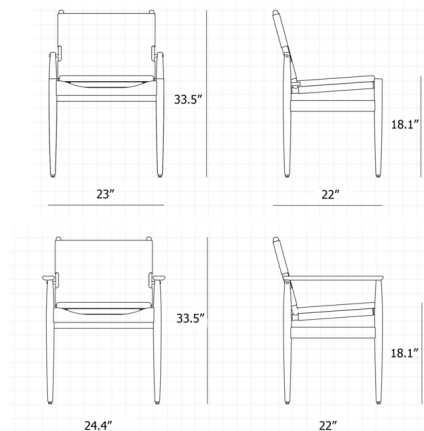

Description

The Journey Dining Chair is a contemporary interpretation of the classic Safari Chair silhouette. Journey retains the basic structure of the chair but features a slimmed down frame for a sleeker, modern look and a thicker seat cushion for enhanced comfort. Journey is perfectly suited for use as a dining chair, but its comfortable and stylish design also makes it suitable for use in offices or conference rooms. Note: Milano Black Leather is only available with armrest version.
