Ren Dining Chair

By Stellar Works

Description

When creating the Ren Dining Chair, design studio Space Copenhagen aimed to imbue it with the Danish Modernist principles of high-quality craftsmanship and thoughtful design that blends form and function. The result is this chic chair, which sports a leather-upholstered cushion atop a wood veneer frame and solid wood legs. Ren's construction and its aesthetic combination of curved and angular lines also borrows from Asian traditions, making it a timeless, global-inspired piece for any space.

Shown in natural oak / omega ice leather
