Risom C275 Dining Chair

By Stellar Works

Description

The Risom C275 Dining Chair is a reissue of a classic design by famed mid-century designer Jens Risom. C275 features a neat and clean-lined design with a distinctive pentagonal backrest. The seat is supported by angled wooden legs that add a lightness to the design while accenting it with a warm and natural wood grain texture. While the C275 Chair possesses a retro vibe, its ability to blend in with a wide variety of decor styles is a testament to Risom's timeless style.
