Risom Desk By Stellar Works

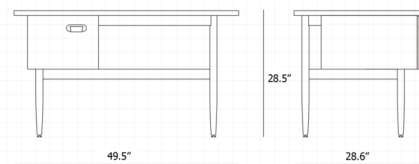

Description

The Risom Desk is a reissue of a classic design by famed mid-century designer Jens Risom. The desk features a neat and clean-lined design with a distinctive pentagonal backrest. The rectangular veneer tabletop is supported by straight wooden legs that add a lightness to the design. While the Risom Desk, possesses a retro vibe, its ability to blend in with a wide variety of decor styles is a testament to Jens Risom's timeless style.
