## Utility Highback Armchair

By Stellar Works

### Description

The Utility Highback Armchair offers a sophisticated take on a classic industrial design. The chair's shape is inspired by utilitarian chairs seen in workshops and factories but fashionably elevated by a luxurious leather seat and solid walnut legs. An elongated, upholstered back provides additional support for the user's comfort. Utility's combination of styles makes it a perfect addition to residential and commercial interiors alike.

Shown in natural walnut / bellagio black leather
