Vesta Warm Dim Wall Sconce

By Studio M

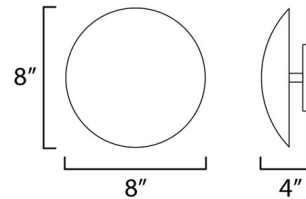

Description

The Vesta Warm Dim Wall Sconce is inspired by the temple of a Roman Goddess. The shallow inverted vessel, a symbol of hearth and home, casts a warm glow of light across your wall. Note: The integrated Warm Dim LED warms from 3000K to 2200K as you dim to perfectly mimic incandescent lighting. Note: Matte White / French Gold and Black / French Gold finishes have an inner French Gold lining.

Shown in polished chrome
