## Ikon Ceiling Fan with Color Select Light By Visual Comfort Fan

## Description

The Ikon Ceiling Fan with Light offers a classic style updated with modern lines, integrating well into many indoor and covered outdoor settings. An LED module provides plenty of ambient illumination and brightness level can be adjusted to set different moods. Its color temperature (CCT) is also adjustable, to 2700K, 3000K, or 4000K using a switch on the light kit. A handheld remote control with wall cradle is included and enables motor on/off, 4 speeds, and light on/off with dimming. Fan direction can be reversed using a switch on the fan. Optional accessories are sold separately.
