## Esfera Bathroom Vanity Light

By Visual Comfort Modern

### Description

The Esfera Bathroom Vanity Light realizes the beauty of elemental materials and spatial symmetries. Crystal cylinder shades are set along a simple metal frame, imparting a clean, polished aesthetic. Each shade is laser-etched on the inside, offering a multi-dimensional effect as light shines through. The 2-light and 5-light fixtures include a universal driver dimmable with a TRIAC, ELV, or 0-10V dimmer. 3-light 120V: TRIAC and ELV dimmable. 3-light 277V: 0-10V dimmable. The Natural Brass option has a living finish that will patina and warm over time, enhancing its richness. If the patina becomes uneven or spotty, a brass cleaner can restore the finish.
