Laurel Linear Chandelier

By Visual Comfort Modern

Description

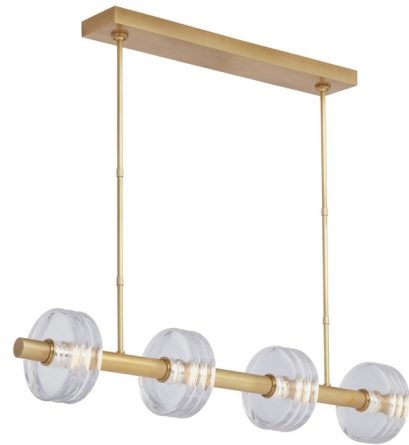

The Laurel Linear Chandelier epitomizes elegance and craftsmanship in its stacked disk design made of poured-cast glass in Italy. LED light glows from within each glass element, providing ambient illumination and accentuating the glass contours for a dynamic feel. This fixture adds just the right touch of sophistication to a dining room, kitchen, or living room. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. 46.7 inch fixture - 120V: ELV dimmable. 277V: not dimmable. 71.8 inch fixture - 120V: ELV and TRIAC dimmable. 277V: 0-10V dimmable. Note: Requires a junction box rated for fixtures weighing over 50 pounds.
