Laurel Pendant

By Visual Comfort Modern

Description

The Laurel Pendant epitomizes elegance and craftsmanship in its stacked disk design made of poured-cast glass in Italy. LED light shines from within, providing ambient illumination and accentuating the glass contours for a dynamic feel. This light can be used as a standalone or in multiples, adding just the right touch of sophistication to an entryway, kitchen, or dining area. A 120-277V universal driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.

Specifications
