

DESIGNER Kelly Wearstler  
BRAND Visual Comfort Modern

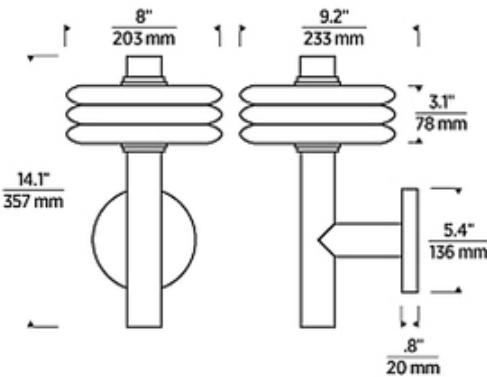

DESCRIPTION

The Laurel Wall Sconce combines elegance and craftsmanship in its unique design of stacked disks set on a bold metal arm. Made of glass casted in Italy, the disks bring movement and dimension into your space as LED light shines from within. Place this sconce in a living room or hallway to add ambient illumination with just the right touch of sophistication. A 120-277V universal driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.

Shown in: Natural Brass / Clear
