Louver Table Lamp

By Visual Comfort Modern

Description

The Louver Table Lamp is crafted with precision and designed to captivate, with its sleek column body and shallow rounded shade constructed out of aluminum. An integrated LED light casts a warm glow, directed downward by the shade to provide a pool of welcoming illumination. The lamp can be used with or without the shade. The Natural Brass is a living finish that will patina, warming over time. If it becomes uneven or spotty, a brass cleaner can restore the finish.
