Perle Wall Sconce

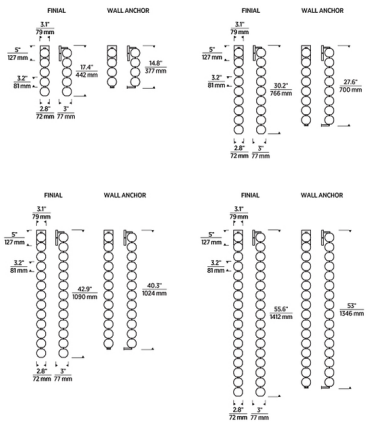

By Visual Comfort Modern

Description

The Perle Wall Sconce exudes luxury and sophistication. Soft white glass globes hand-blown in Italy are linked together and brilliantly illuminated by integrated LEDs, creating a beautiful column of light. It can hang freely with the included finial attached to the end, or the end can be anchored to the wall using the included standoff. This eye-catching piece makes a stunning statement in any residential or commercial space. A universal 120-277V driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. Note: This sconce can mount to a standard junction box using the included goof plate, or a 2 x 4 inch junction box with or without the goof plate.

Shown in dark bronze / soft white
