**DESCRIPTION**

The Pylon Crystal Linear Chandelier makes a striking statement in a living room or over a dining table with its slim dangling lights. Each light is an elongated crystal body with etched interior, displaying a multi-layer effect as light passes through. The lights can be hung at a uniform level or staggered in height for a dramatic effect. Plugs are included to cover any unused canopy ports. 120V: TRIAC and ELV dimmable. 277V: 0-10V dimmable. The Natural Brass is a living finish that will patina over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Pylon series is part of the Trellis collection which represents modern, minimalist lighting in its purest form. Note: Requires a junction box rated for fixtures weighing over 50 pounds.
