Visual Comfort Modern

DESCRIPTION

The Pylon Crystal Pendant displays modern elegance through its elongated crystal body. The interior is etched, creating a multi-layer effect as light passes through. Beautiful as a standalone or clustered in multiples, this pendant adds a touch of sophistication to living rooms, lounges, and dining rooms. A 120-277V universal driver is included, dimmable with a TRIAC, ELV, or 0-10V dimmer. The Natural Brass is a living finish that will patina, warming over time. If it becomes uneven or spotty, a brass cleaner can restore the finish. The Pylon series is part of the Trellis collection which represents modern, minimalist lighting in its purest form. Two canopy options are available: 2.6 Inch Diameter: Offers a clean minimal look and mounts to the included mini junction box. Driver is installed in a remote accessible location. 4.6 Inch Diameter: Mounts to a standard junction box which is not included. Driver is installed in the junction box.

Shown in: Nightshade Black / Crystal
