Shanti Pendant

By Visual Comfort Modern

Description

The Shanti Pendant features layered spun metal bowls that form a distinctive modern profile inspired by industrial style. The layered shades come to life as LED light highlights the structure while creating a warm, radiant glow. TRIAC, ELV, or 0-10V dimmable. The 31.5 inch diameter pendant is Title 24 compliant, and the 20.5 inch and 26 inch pendants are not. Note: The 31.5 inch diameter pendant in Dark Bronze or Natural Brass requires a junction box rated for fixtures weighing over 50 lb.
