Kal Picture Light

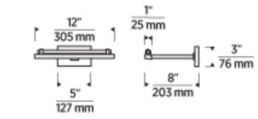

By Visual Comfort Modern

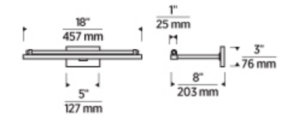

Description

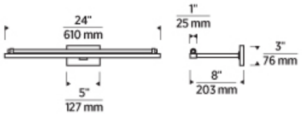

The Kal Picture Light makes a bold statement with its structural design. The pairing of the smooth tube atop the rectangular light bar speaks to the attention to detail lavished on this contemporary/modern picture light. TRIAC/ELV/0-10V dimming. Note: The Kal Picture Light does not mount to a standard 4 inch US junction box - requires a 2x4 junction box.

Shown in nightshade black
